

We carry the entire line of professional albums by Taprell Loomis and recommend the beautiful but economical Parade line as our standard studio offering. The Showcase albums also offer a great alternative for edge-to-edge images in a compact size. For those who want the very best, the Kingston and Manhattan II custom printed book albums cannot be beat by any other option. Available with metallic print option, the Kingston also has a variety of leather, acrylic and even metal cover choices in a variety of binding colors.

Ask about our new printed executive style prestige albums. For those who will not settle for anything but the very best. The new Kingston and Manhattan II albums is guaranteed to impress. Pricing varies with size and number of images.

THE KINGSTON - Premium flush mount album

Our Kingston Flush Mount Album includes liquid lamination, binding and cover treatments. The minimum album capacity is 12 single sides (full spread panoramic images are considered as two sides) up to a maximum of 60 sides. The base price for all cover styles include 12 sides with additional sides

being charged accordingly. The option of having your album printed on Metallic paper is available and, along with our high-gloss liquid lamination, can be a very attractive alternative. Albums are completely packaged with a leatherette gift box and handling/storage recommendations.

Manhattan II

the finest slim design, flush mount, coffee table style album

Our full photo-wrapped, flush mount album, with inside panoramic images that are carefully cut and bound produces a finished album that lays flat and withstands the test of time. Packaged in an appealing box, with a clear sliding lid, it makes for a very eye-catching presentation of your best images.
